

Lemon Noodles

Ingredients

- 2 rolls egg noodles
- 3 Shanghai bok choy
- 1 lemon
- 2 eggs
- Tofu (amount to preference, firm or extra-firm works best)
- Minced garlic
- Soy sauce
- Salt
- Black pepper
- Oil

Instructions

1. Bring a pot of water to a boil and cook the egg noodles. Drain and set aside.
2. Heat oil in a large frying pan over medium heat. Fry the eggs until the whites are set and the yolks are cooked to your preference.
3. In the same pan, add a little more oil if needed. Add minced garlic and cook briefly until fragrant.
4. Add the tofu (cubed or sliced). Cook until lightly golden on the edges.
5. Chop the bok choy (separate stems and leaves if you want more control) and add to the frying pan.
6. Add the cooked noodles to the pan along with a splash of soy sauce. Toss to combine.
7. Cut the lemon in half and squeeze the juice over everything. Season with a pinch of salt and pepper.
8. Toss gently, adjust seasoning if needed, and enjoy the meal.
